5. I am willing to accept as truth that Freemasonry has the inherent right to teach all the great truths that belong exclusively to no one religion and if any symbol of its teachings is regarded as having a special reference to my own faith, I have no right to insist that others accept the same.
6. I will always respect and maintain freedom of Speech, Thought and Conscience in matters political and religious.
7. I will to the best of my ability, try to perform all the provisions of Professions, Pledges and Obligations I have made or shall make in all Masonic Degrees.
8. I have not wronged, injured, or hold enmity toward any person which whom I am not sincerely willing to be reconciled.
9. I declare that in all matters Masonic, Political and Religious, the great principles in which I believe and by which I will endeavor to govern my Life, Conduct and Speech, are:
 - a. Masonic – To live according to my Masonic Teachings and Obligations.
 - b. Political - That a government shall be of the people, by the people and for the people.
 - c. Religious – To worship God according to the dictates of my own conscience and allow others the same privilege.

CONFESSION OF FAITH

I believe in a Supreme Being, Who is One, an infinite intelligence, infinitely wise, infinitely beneficent, infinitely merciful, perfectly just and good, the God whom Freemasonry has always revered and worshipped, a personal God, sympathizing with the human creatures to whom He has given being, the infinite Light, Wisdom, Truth and Good, whose varied action the forces of the universe are, whose laws are not the arbitrary edicts of an Omnipotent will, but the expression of an infinite Wisdom, full of Sympathy and Pity, A God, to pray unto whom is not folly, and in whose protecting and pitying Providence to place our trust is not irrational.

And I believe that the material body and the results of a material organization are not all there is of man, that Death is not annihilation of intellect, but that for Very Self of man there is continued existence after this Life ends, in which our present Life will not be unto us as if it had never been; but we shall see and know again those whom we have loved and lost in this world.

OBLIGATION

I hereby promise and vow, that I will faithfully endeavor to perform all the duties which I have now acknowledged to devolve upon me, being governed by them within the Lodge and without, as a good and true Mason, and that I will never improperly make known the mode of my admission in these degrees even if I should be dismissed without completely receiving them. **So help me God.**
